

AC CHARGING PILE

7kW ONE GUN

This product not only has excellent charging performance, but also has the appearance of science and technology fashion design, with its diversified charging methods, safe and stable product performance, become the first choice for home charging equipment.

PRODUCT ADVANTAGE

Smart and convenient:

Suitable for 99% new energy models; With plug and charge, swipe card, Bluetooth, remote control of a variety of charging methods.

Excellent quality:

IP65 dustproof and waterproof; PC+ABS flame retardant material; National standard grade oxygen-free pure copper wire core

Safe and reliable:

16 safety protection; The People's Insurance of China covers 30 million products liability insurance, which is safe and reliable.

7kW

Ac charging pile ONE GUN

Technical Specifications

Model	HDRCDZ-220V-32A-7KW-1 / v1.0
Connector Standard	GB/T / Type1 / Type2 (optional)
Input Voltage	220 V $\pm$ 15%
Frequency	50 / 60 Hz $\pm$ 10%
Output Voltage	220 V
Rated Power	7 kW
Max Output Current	32 A
Number of Connectors	1
Cable Length	5 m (customizable)

Other information

Status Indicators	Power, Charging, Fault
Display	Pilot lamp
Charging Method	RFID card / QR code
Billing Method	Time-based billing
Communication Protocol	OCPP 1.6 / 1.6j standard, others on request
Cooling Method	Natural cooling
Protection Rating	IP65
Leakage Protection	30 mA
MTBF	30,000 hours
Installation	Wall-mounted / Floor-standing
Dimensions (W x D x H)	Wall-mounted: 110 x 270 x 400 mm
	Floor-standing: 210 x 295 x 1360 mm
Cable Routing	Bottom entry
Operating Temperature	-25 $^{\circ}$ C to +50 $^{\circ}$ C
Relative Humidity	5%-95%
